

ATTENTION

UNAMA'KI SALMON FISHERS

Please report the river, date, and number of salmon kept between June and December, 2023 to your local fishery department by

Friday, March 22, 2024

Indicate whether the retained salmon were:

- Large (*63 cm / 24 inches or larger*) or
- Small (*less than 63 cm / 24 inches.*)

It's our responsibility to report our catches so they can be included in scientific assessments.
